

SHOEpro stands for **Integrated Action for Building VET Curricula and Training Opportunities in Croatia & Portugal for Digital and Green Transformation in the Footwear Sector**

## Train the trainer

### Portugal hosts Croatian trainers and teachers for advanced SHOEPRO capacity-building week

The Centro Tecnológico do Calçado de Portugal (CTCP) hosted, from November 24 to 28, a one-week “Train the Trainers/Teachers and Corporate Tutors” workshop under the SHOEPRO project, welcoming a group of teachers, company tutors, and representatives from Croatian VET and university institutions. The initiative aimed to strengthen participants’ understanding of the project’s training topics and support the transfer of existing pedagogical tools into practical teaching contexts.
